

## DPL0601 Angled Leg Press

DISCOVERY™ SERIES PLATE LOADED LINE

Like every piece of equipment in our Discovery™ Series Plate Loaded Line, the DPL0601 Angled Leg Press adds value to your facility by combining essential performance and durability with thoughtful design to deliver an exerciser experience that feels natural.

The Discovery Series Plate Loaded Angled Leg Press features a 45 degree angled carriage sled and an optimized seat design for precise body positioning and support. A unique, curved foot platform and a four-position adjustable fail-safe stop provide an incredibly solid, smooth, and secure exerciser experience.

Strength equipment is a long-term investment and with the Discovery Series from Precor, you can make your strength purchase decision with confidence. With a full range of products that are approachable and intuitive, perform for exercisers of all ability levels, and will withstand the test of time, the Discovery Series is the straightforward strength solution you've been looking for.

## DISCOVERY™ SERIES PLATE LOADED LINE

### Product Features

- 1. Curved Foot Platform**  
 An oversized, non-slip, curved foot platform with built in calf raise enables the exerciser to maintain full foot contact throughout the range of motion.
- 2. Easy-to-Use Adjustments**  
 Dual rotating carriage stop handles feature adjustable two-stop positions to accommodate a wide range of exercisers. A foot-activated seat back adjustment makes personalization quick and easy.
- 3. Secure**  
 Weight carriage stops are visible from the seated position so the exerciser has visual confirmation that the carriage is securely positioned on the stops. A four-position adjustable fail-safe stop increases confidence for the exerciser and the facility operator.
- 4. Weight Plate Storage**  
 Weight plate storage is optimized for easy loading and unloading with weight plate horns positioned at a height that is within reach for a wide range of exercisers.
- 5. Instructional Placard**  
 Easy-to-understand, large, text-free illustrations demonstrate correct set-up and form at a glance, and a QR code links to a helpful 30-second instructional video.
